OBJECTIVE: To promote team spirit and give a platform to the students to showcase their talent.

Diwali or Deepavali is the Hindu festival of lights celebrated every year in India. One of the major festivals of Hinduism, it spiritually signifies the victory of light over darkness, good over evil, knowledge over ignorance, and hope over despair. Its celebration includes millions of lights shining on housetops, outside doors and windows, around temples and other buildings in the communities and countries where it is observed. The festival preparations and rituals typically extend over a five-day period, but the main festival night of Diwali coincides with the darkest, new moon night of month Kartika. Celebration of Diwali with lights to be a reminder of the importance of knowledge, self inquiry, self-improvement, knowing and seeking the good and the right path. It is a metaphor for resisting evil, for dispelling darkness and for compassion to others. This festival of light was also celebrated in the bed college with lot of pomp and show.

SINGING COMPETITION

OBJECTIVE: To give a platform to the students to showcase their talent.

Singing is the act of producing musical sounds with the voice. A person who sings is called a singer or vocalist. Singers perform music that can be sung with or without accompaniment by musical instruments. Singing is often done in an ensemble of musicians. Singing can be formal or informal. It may be done as a form of religious devotion, as a hobby, as a source of pleasure, comfort, or ritual, as part of music education, or as a profession. Excellence in singing requires time, dedication, instruction, and regular practice. If practice is done on a regular basis then the sounds can become more clear and strong. NEW YEAR CELEBRATION

OBJECTIVE: To develop a common feeling of celebration and motivate the students towards taking resolutions.

New Year is the time at which a new calendar year begins and the calendar's year count increments by one. In pre-Christian Rome under the Julian calendar, the day was dedicated to Janus, god of gateways and beginnings, for whom January is also named. New Year's Day is probably the most celebrated public holiday, often observed with fireworks at the stroke of midnight as the New Year starts in each time zone. Other global New Years' Day traditions include making New Year's resolutions and calling one's friends and family.
